Cancellation Statement for EECS Certificates

in accordance with the EECS Rules of the Association of Issuing Bodies and the effective Domain Protocol for Switzerland (DP CH).

This document confirms that the designated EECS Certificates have been cancelled in the Swiss GO system and cannot be re-cancelled. Onward sale of this Cancellation Statement for EECS Certificates to any party other than the beneficiary is prohibited. Any duplication of this Cancellation Statement for EECS Certificates or its amendment is prohibited.

General data

This Cancellation Statement for EECS Certificates has been cancelled on the instructions of (ordering party)	ClimatePartner GmbH
	St.-Martin-Straße 59
	DE-81669 München
Account number belonging to the ordering party	32XCLI2286
Cancellation date	2026-11-03
Cancelled by	Pronovo AG (Switzerland)
Cancellation statement number	322026110300001
Number of EECS Certificates cancelled	37
Number of MWh represented	37,000
CO2 durch Produktion [kg]	0
Treibhausgasem. [kg CO2-eq]	1'050.80
UBP	4'070'000.00
Radioaktive Abfälle (mg/kWh)	0
This Cancellation Statement for EECS Certificates has been cancelled in favour of (beneficiary)	Löyly GmbH
	Albisriederstrasse 102
	CH-8003 Zürich
Purpose of cancellation	Voluntary market Switzerland
	Retirement of 37 MWh for consumption in Switzerland on behalf of Löyly GmbH for the reduction of Scope 2 emissions in 1 May 2025 - 30 April 2026
